DEFINITIONS

Certain words that you will see in this booklet have specific meanings. These definitions should make your dental plan easier to understand.

Benefits - those dental services available under the Contract and which are described in this booklet.

Contract - the written agreement between your employer or sponsoring group and Delta Dental to provide dental Benefits. The Contract, together with this booklet, forms the terms and conditions of the Benefits you are provided.

Covered Services - those dental services to which Delta Dental will apply Benefit payments, according to the Contract.

Delta Dental Dentist - a Dentist who has signed an agreement with Delta Dental or a Participating Plan, agreeing to provide services under the terms and conditions established by Delta Dental or the Participating Plan.

Delta Dental PPO Dentist - a Dentist with whom Delta Dental has a written agreement to provide services at the in-network level for Enrollees in this Delta Dental PPO Plan.

Dependent - a Primary Enrollee's Dependent who is eligible to enroll for Benefits in accordance with the conditions of eligibility outlined in this booklet.

Effective Date - the date this plan starts.

Enrollee - A Primary Enrollee or Dependent enrolled to receive Benefits or a person who chooses to pay for OPTIONAL CONTINUATION OF COVERAGE.

Participating Plan – Delta Dental and any other member of the Delta Dental Plans Association with whom Delta Dental contracts for assistance in administering your Benefits.

Premiums - the money paid to Delta Dental each month for you and your Dependents' dental coverage.

Primary Enrollee - any group member or employee who is eligible to enroll for Benefits in accordance with the conditions of eligibility outlined in this booklet.

Single Procedure – a dental procedure to which a separate Procedure Number has been assigned by the American Dental Association in the current version of Common Dental Terminology (CDT).

Usual, Customary and Reasonable (UCR) -

A Usual fee is the amount which an individual dentist regularly charges and receives for a given service or the fee actually charged, whichever is less.

A Customary fee is within the range of usual fees charged and received for a particular service by dentists of similar training in the same geographic area.

A Reasonable fee schedule is reasonable if it is Usual and Customary. Additionally, a specific fee to a specific patient is reasonable if it is justifiable considering special circumstances, or extraordinary difficulty, of the case in question.

WHO IS COVERED?

Civilian employees working at least 40 hours each pay period who are contributing members of the City Employees' Retirement System may enroll in this program and are eligible to receive Benefits on their date of hire.

In addition, employees must satisfy one of the following requirements:

- (a) The employee is eligible for membership in one of the employee representation units for which the civilian modified flexible benefits program (FLEX program) has been negotiated in a Memorandum of Understanding (MOU).
- (b) An employee representation unit does not represent the employee.
- (c) The employee is a Port Police Officer (MOU27 or MOU38) and a member of Tier 5 and Tier 6 of the Fire & Police Pension System.
- (d) The employee is an elected official or a full-time member of the Board of Public Works.

Regular half-time civilian employees are also eligible for this program. Employees in part-time, intermittent or similar positions are not eligible for this program.

When the Enrollee and spouse or domestic partner are both employees of the City of Los Angeles, the employee cannot enroll as both an employee and as a Dependent of their spouse or domestic partner. In such cases, they must both enroll as individuals. If the Enrollee and spouse or domestic partner have Dependents then one must enroll as employee only and the other must enroll as an employee with Dependents.

You are not eligible if you are not reporting to work on a regular basis and are not actively employed. Coverage resumes on the first day of the month after you return to active employment, report to work regularly and amounts due to Delta Dental for coverage have been paid. But, coverage can continue without interruption if your employer continues to report you as a Primary Enrollee and amounts due Delta Dental for your coverage continue to be paid.

Coverage is reinstated on the day employment is resumed for Enrollees that are members of the National Guard or a military reserve unit absent from work due to active military duty. Any waiting period applied as a result of an Enrollee's absence from active employment due to service in the National Guard or military reserve unit shall be waived.

Family and Medical Leave Act of 1993

You can continue your coverage if you take a leave governed by the Family and Medical Leave Act of 1993. If you do not continue your coverage during the governed leave, it will be reinstated at the same Benefit level you received before your leave.

Uniformed Services Employment and Re-employment Rights Act of 1994

You can continue coverage for up to 24 months, if you take a leave governed by the Uniformed Services Employment and Re-employment Rights Act of 1994. If you make this election, you must submit any Premiums necessary, which may include administrative costs, to your employer. If you do not continue your coverage during a military leave, it will be reinstated at the same Benefit level you received before your leave.

WHO ARE YOUR ELIGIBLE DEPENDENTS?

- Your legal spouse or domestic partner;
- Your dependent children or grandchildren until their 26th birthday.
- A dependent child may continue eligibility if:
 - a) He or she is incapable of self-sustaining employment because of a physically or mentally disabling injury, illness or condition that began prior to reaching the limiting age;
 - b) He or she is chiefly dependent on the eligible employee for support; and
 - c) Proof of Dependent's disability is provided within 60 days of request. Such requests will not be made more than once a year following a two year period after this Dependent reaches the limiting age. Eligibility will continue as long as the Dependent relies on the eligible employee for support because of a physically or mentally disabling injury, illness or condition that began before he or she reached the limiting age.

"Dependent children" also means natural children, stepchildren, adopted children, children placed for adoption, children of domestic partners and foster children. Dependent grandchildren for whom you have legal custody and provide your employer with copies of court papers. Grandchildren will also be covered if their parent is your unmarried dependent child who meets the requirements as defined by your employer.

Dependent coverage is also extended to any child who is recognized under a Qualified Medical Child Support Order (QMCSO).

A domestic partnership shall exist between two people (regardless of their gender) and each of them shall be the domestic partner of the other if they both complete, sign and file with the employee's Human Resources Department an Affidavit of Domestic Partnership. A domestic partner is subject to the same terms and conditions as any other dependent enrolled under this program.

No Dependent in the military service is eligible.

ENROLLING YOURSELF AND YOUR DEPENDENTS

You shall have the option to enroll for coverage under this dental care plan under the following conditions:

1. You and your Dependents may enroll only when first eligible or within 30 days of a qualified change in family status under section 125 of the IRS code, and after receipt of proof of loss of coverage under your spouse's group dental plan, or during an open enrollment period to be held not more than once annually.
2. If both you and your spouse or domestic partner qualifies as a Primary Enrollee, dependent children may enroll for coverage under only one of you.
3. You must agree to make monthly payments through payroll deductions.
4. You and your Dependents must agree to remain enrolled for 12 consecutive months. If coverage is discontinued during this period, you and your Dependents may not re-enroll until the next open enrollment period.

Once you elect to discontinue dependent coverage, Dependents may not be re-enrolled under this plan, except as outlined in number 4. above, or unless the Dependent is the subject of a Qualified Medical Child Support Order requiring you to provide the Dependent Benefits under this plan.

COVERAGE COSTS

Your employer pays Delta Dental a monthly Premium for coverage of you and your enrolled Dependents. A payroll deduction is made for your share of the monthly Premium required for the cost of coverage for your enrolled Dependents.

The amount of the Premium may change at each renewal of the Contract between your employer and Delta Dental. Premiums will not increase during the contract year unless new taxes or tax rates are imposed upon Delta Dental for this plan or unless there is an agreement between your employer and Delta Dental to change the Premiums.

WHEN YOU ARE NO LONGER COVERED

1. If you stop working for your employer, your dental coverage will end on the day in which you stop working, unless you qualify for and pay for OPTIONAL CONTINUATION OF COVERAGE. Your Dependents' coverage ends when yours does, or as soon as they are no longer Dependents, unless they choose to pay for OPTIONAL CONTINUATION OF COVERAGE.
2. When the Contract between Delta Dental and your employer is discontinued or canceled, your coverage ends immediately.

CANCELING THIS PLAN

Delta Dental may cancel this plan only on an anniversary date (period after the plan first takes effect or at the end of each renewal period thereafter), or:

1. If your employer does not make payment to Delta Dental as required by the Contract.
2. If fewer than 10 people are reported eligible for three months or more.
3. If your employer does not give Delta Dental a list of who is eligible.
4. If your employer does not allow Delta Dental to inspect its records, if this is required by your group Contract.

If you believe that this plan has been terminated or not renewed due to your health status or requirements for health care services (or that of your Dependents), you may request a review by the California Director of the Department of Managed Health Care.

If the Contract is terminated for any cause, Delta Dental is not required to predetermine services beyond the termination date or to pay for services provided after the termination date, except for Single Procedures begun while the Contract was in effect which are otherwise Benefits under the Contract.

If this plan is canceled, you and your Dependents have no right to renewal or reinstatement of your Benefits.

YOUR BENEFITS

Your dental program covers Preventive Benefits only, when the services are provided by a licensed dentist, and when they are necessary and customary under the generally accepted standards of dental practice. Delta Dental will provide payment for these services at the percentage indicated. An agreement between your employer and Delta Dental is required to change Benefits during the term of the Contract.

IMPORTANT: If you opt to receive dental services that are not covered services under this plan, your Delta Dental Dentist may charge you his or her Usual and Customary rate for those services. Prior to providing you dental services that are not a covered Benefit, your dentist should provide you with a treatment plan that includes each anticipated service to be provided and the estimated cost of each service (see PREDETERMINATIONS). If you would like more information about dental coverage options, you may call our Customer Service department at 800-765-6003. To fully understand your coverage, you may wish to carefully review this Evidence of Coverage document.

The following Benefits are limited to the applicable percentages of dentist's fees or allowances specified below. You are required to pay the balance of any such fee or allowance, known as the "patient copayment." If the dentist discounts, waives or rebates any portion of the patient copayment to the Enrollee, Delta Dental only provides as Benefits the applicable allowances reduced by the amount that such fees or allowances are discounted, waived or rebated.

I. PREVENTIVE BENEFITS –

100% if provided by a Delta Dental PPO Dentist;
100% if provided by other dentists

prophylaxis (cleaning);
bitewing x-rays;
exams

Note on additional Benefits during pregnancy. If you are pregnant, Delta Dental will pay for additional services to help improve your oral health during pregnancy. The additional services each calendar year while you are eligible in this Delta Dental plan include: one additional oral examination and one additional routine cleaning. Written confirmation of your pregnancy must be provided by you or your dentist when the claim is submitted.

LIMITATIONS

1. An oral examination is a Benefit only twice in a calendar year while you are eligible under any Delta Dental plan. See Note on additional Benefits during pregnancy.
2. Bitewing x-rays are provided on request by the dentist, but no more than twice in any calendar year while you are eligible under any Delta Dental plan.
3. We pay for two cleanings or a dental procedure that includes a cleaning each calendar year under any Delta Dental plan. If you are pregnant during this time, we may pay for an additional cleaning. See Note on additional Benefits during pregnancy.

EXCLUSIONS

All other dental services and procedures except those listed as a Benefit are not covered.

COVERED FEES

It is to your advantage to select a dentist who is a Delta Dental Dentist, since a lower percentage of the dentist's fees may be covered by this plan if you select a dentist who is not a Delta Dental Dentist.

A list of Delta Dental Dentists (see DEFINITIONS) is available in a directory at your group benefits office, or by calling 1-800-427-3237.

Payment to a Delta Dental PPO Dentist will be based on the applicable percentage of the lesser of the Fee Actually Charged, the dentist's accepted Usual, Customary and Reasonable Fee on file with Delta Dental, or a fee which the dentist has contractually agreed upon with Delta Dental to accept for treating enrollees under this plan.

Payment to a Delta Dental Dentist will be based on the applicable percentage of the lesser of the Fee Actually Charged, or the accepted fee that the dentist has on file with Delta Dental.

Payment for services by a California dentist, or an out-of-state dentist, who is not a Delta Dental Dentist will be based on the applicable percentage of the lesser of the Fee Actually Charged, or the fee that satisfies the majority of Delta Dental Dentists.

Payment for services by a dentist located outside the United States will be based on the applicable percentage of the lesser of the Fee Actually Charged, or the fee that satisfies the majority of Delta Dental dentists.

CHOICE OF DENTISTS AND PROVIDERS

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

Nearly 29,000 dentists in active practice in California are Delta Dental Dentists. About 16,500 of these Delta Dental Dentists are also Delta Dental PPO Dentists. While covered under the PPO plan, you are free to choose any dentist for treatment, but it is to your advantage to choose a Delta Dental Dentist. This is because his or her fees are approved in advance by Delta Dental. Delta Dental Dentists have treatment forms on hand and will complete and submit the forms to Delta Dental free of charge.

If you choose a Delta Dental PPO Dentist, you will receive all of the advantages of going to a Delta Dental Dentist, and you may have a higher level of Benefits for certain services.

If you go to a non-Delta Dental Dentist, Delta Dental cannot assure you what percentage of the charged fee may be covered. Claims for services from non-Delta Dental Dentists may be submitted to Delta Dental at P.O. Box 997330, Sacramento, CA 95899-7330.

Dentists located outside the United States are not Delta Dental Dentists. Claims submitted by out-of-country dentists are translated by Delta Dental staff and the currency is converted to U.S. dollars. Claims submitted by out-of-country dentists for Enrollees residing in California are referred to Delta Dental's Quality Assessment department for processing. Delta Dental may require a clinical examination to determine the quality of the services provided, and Delta Dental may decline to reimburse you for Benefits if the services are found to be unsatisfactory.

A list of Delta Dental PPO Dentists and Delta Dental Dentists can be obtained by calling 800-765-6003. This list will identify those dentists who can provide care for individuals who have mobility impairments or have special health care needs. You can also obtain specific information about Delta Dental PPO Dentists and Delta Dental Dentists by using our website – deltadentalins.com or calling the Delta Dental Customer Service department at the number shown on page 1.

Services may be obtained from any licensed dentist during normal office hours. Emergency services are available in most cases through an emergency telephone exchange maintained by the local dental society listed in the local telephone directory.

Services from dental school clinics may be provided by students of dentistry or instructors who are not licensed by the state of California.

Delta Dental shares the public and professional concern about the possible spread of HIV and other infectious diseases in the dental office. However, Delta Dental cannot ensure your dentist's use of precautions against the spread of such diseases, or compel your dentist to be tested for HIV or to disclose test results to Delta Dental, or to you. Delta Dental informs its panel dentists about the need for clinical precautions as recommended by recognized health authorities on this issue. If you should have questions about your dentist's health status or use of recommended clinical precautions, you should discuss them with your dentist.

CONTINUITY OF CARE

Current Enrollees:

Current Enrollees may have the right to the benefit of completion of care with their terminated Delta Dental Dentist for certain specified dental conditions. Please call Delta Dental's Quality Assessment Department at 415-972-8300 to see if you may be eligible for this benefit. You may request a copy of the Delta Dental's Continuity of Care Policy. You must make a specific request to continue under the care of your terminated Delta Dental Dentist. We are not required to continue your care with that dentist if you are not eligible under our policy or if we cannot reach agreement with your terminated Delta Dental Dentist on the terms regarding your care in accordance with California law.

New Enrollees:

A new Enrollee may have the right to the qualified benefit of completion of care with their non-Delta Dental Dentist for certain specified dental conditions. Please call Delta Dental's Quality Assessment Department at 415-972-8300 to see if you may be eligible for this benefit. You may request a copy of the Delta Dental's Continuity of Care Policy. You must make a specific request to continue under the care of your current provider. We are not required to continue your care with that dentist if you are not eligible under our policy or if we cannot reach agreement with your non-Delta Dental Dentist on the terms regarding your care in accordance with California law. This policy does not apply to new enrollees of an individual subscriber contract.

PUBLIC POLICY PARTICIPATION BY ENROLLEES

Delta Dental's Board of Directors includes Enrollees who participate in establishing Delta Dental's public policy regarding Enrollees through periodic review of Delta Dental's Quality Assessment program reports and communications from Enrollees. Enrollees may submit any suggestions regarding Delta Dental's public policy in writing to: Delta Dental of California, Customer Service Department, P. O. Box 997330, Sacramento, CA 95899-7330.

SAVING MONEY ON YOUR DENTAL BILLS

You can keep your dental expenses down by practicing the following:

1. Compare the fees of different dentists;
2. Use a Delta Dental Dentist;
3. Visit your dentist regularly for checkups;
4. Follow your dentist's advice about regular brushing and flossing;
5. Avoid putting off treatment until you have a major problem; and

6. Learn the facts about overbilling. Under this plan, you must pay the dentist your copayment share (see YOUR BENEFITS). You may hear of some dentists who offer to accept insurance payments as “full payment.” You should know that these dentists may do so by overcharging your plan and may do more work than you need, thereby increasing plan costs. You can help keep your dental Benefits intact by avoiding such schemes.

YOUR FIRST APPOINTMENT

During your first appointment, be sure to give your dentist the following information:

1. Your Delta Dental group number (on the front of this booklet);
2. The employer’s name;
3. Primary Enrollee’s social security number (which must also be used by Dependents);
4. Primary Enrollee’s date of birth;
5. Any other dental coverage you may have.

ACCESSIBILITY AND SERVICES FOR AFTER-HOURS AND URGENT CARE

If you or a family member has special needs, you should ask your dentist about accessibility to their office or clinic at the time you call for an appointment. Your dentist will be able to tell you if their office is accessible taking into consideration the specific requirements of your needs.

Routine or urgent care may be obtained from any licensed dentist during their normal office hours. Delta Dental does not require prior authorization before seeking treatment for urgent or after-hours care. You may plan in advance, for treatment for urgent, emergency or after-hours care by asking your dentist how you can contact the dentist in the event you or a family member may need urgent care treatment or treatment after normal business hours. Many dentists have made prior arrangements with other dentists to provide care to you if treatment is immediately or urgently needed. You may also call the local dental society that is listed in your local telephone directory if your dentist is not available to refer you to another dentist for urgent, emergency or after-hours care.

REIMBURSEMENT PROVISIONS

Delta Dental will pay Delta Dental Dentists directly. Delta Dental of California’s agreement with our Delta Dental Dentists makes sure that you will not be responsible to the dentist for any money we owe. However, if for any reason we fail to pay a dentist who is not a Delta Dental Dentist, you may be liable for that portion of the cost. If you have selected a non-Delta Dental Dentist, Delta Dental will pay you. Payments made to you are not assignable (in other words, we will not grant requests to pay non-Delta Dental Dentists directly).

Delta Dental does not pay Delta Dental Dentists any incentive as an inducement to deny, reduce, limit or delay any appropriate service. If you wish to know more about the method of reimbursement to Delta Dental Dentists, you may call Delta Dental’s Customer Service department for more information.

If there is a difference between what your dentist is charging you and what Delta Dental says your portion should be, or if you are not satisfied with the dental work you have received, contact Delta Dental’s Customer Service department. We may be able to help you resolve the situation.

Delta Dental may deny payment of any claim forms for services submitted more than 12 months after the date the services were provided. If a claim is denied due to a Delta Dental Dentist's failure to make a timely submission, you shall not be liable to that dentist for the amount which would have been payable by Delta Dental (unless you failed to advise the dentist of your eligibility at the time of treatment).

The process Delta Dental uses to determine or deny payment for services is distributed to all Delta Dental Dentists. It describes in detail the dental procedures covered as Benefits, the conditions under which coverage is provided, and the limitations and exclusions applicable to the plan. Claims are reviewed for eligibility and are paid according to these processing policies. Those claims which require additional review are evaluated by Delta Dental's dentist consultants. If any claims are not covered, or if limitations or exclusions apply to services you have received from a Delta Dental Dentist, you will be notified by an adjustment notice on the Notice of Payment or Action. You may contact Delta Dental's Customer Service department for more information regarding Delta Dental's processing policies.

IF YOU HAVE QUESTIONS ABOUT SERVICES FROM A DELTA DENTAL DENTIST

If you have questions about the services you receive from a Delta Dental Dentist, we recommend that you first discuss the matter with your dentist. If you continue to have concerns, call our Quality Assessment department at 1-415-972-8300, extension 2700. If appropriate, Delta Dental can arrange for you to be examined by one of our consulting dentists in your area. If the consultant recommends the work be replaced or corrected, Delta Dental will intervene with the original dentist to either have the services replaced or corrected at no additional cost to you or obtain a refund. In the latter case, you are free to choose another dentist to receive your full Benefit.

ORGAN AND TISSUE DONATION

Donating organ and tissue provides many societal benefits. Organ and tissue donation allows recipients of transplants to go on to lead fuller and more meaningful lives. Currently, the need for organ transplants far exceeds availability. If you are interested in organ donation, please speak to your physician. Organ donation begins at the hospital when a patient is pronounced brain dead and identified as a potential organ donor. An organ procurement organization will become involved to coordinate the activities.

GRIEVANCE PROCEDURE AND CLAIMS APPEAL

If you have any questions about the services received from a Delta Dental Dentist, we recommend that you first discuss the matter with your Dentist. If you continue to have concerns, you may call or write us. We will provide notifications if any dental services or claims are denied, in whole or part, stating the specific reason or reasons for denial. Any questions of ineligibility should first be handled directly between you and your group. If you have any question or complaint regarding the denial of dental services or claims, the policies, procedures and operations of Delta Dental, or the quality of dental services performed by a Delta Dental Dentist, you may call us toll-free at **1-800-765-6003**, contact us on our website at: deltadentalins.com or write us at P. O. Box 997330, Sacramento, CA 95899-7330, Attention: Customer Service Department.

If your claim has been denied or modified, you may file a request for review (a grievance) with us within 180 days after receipt of the denial or modification. If in writing, the correspondence must include your group name and number, the Primary Enrollee's name and social security number, the inquirer's telephone number and any additional information that would support the claim for benefits. Your correspondence should also include a copy of the treatment form, Notice of Payment and any other relevant information. Upon request and free of charge, we will provide the Enrollee with copies of any pertinent documents that are relevant to the claim, a copy of any internal rule, guideline, protocol, and/or explanation of the scientific or clinical judgment if relied upon in denying or modifying the claim.

Our review will take into account all information, regardless of whether such information was submitted or considered initially. Certain cases may be referred to one of our regional consultants, to a review committee of the dental society or to the state dental association for evaluation. Our review shall be conducted by a person who is neither the individual who made the original claim denial, nor the subordinate of such individual, and we will not give deference to the initial decision. If the review of a claim denial is based in whole or in part on a lack of medical necessity, experimental treatment, or a clinical judgment in applying the terms of the contract terms, we shall consult with a dentist who has appropriate training and experience. The identity of such dental consultant is available upon request.

We will provide the Enrollee a written acknowledgement within five calendar days of receipt of the request for review. We will make a written decision within 30 calendar days of receipt of the request for review. We will respond, within three calendar days of receipt, to complaints involving severe pain and imminent and serious threat to a patient's health. You may file a complaint with the Department of Managed Health Care after you have completed Delta Dental's grievance procedure or after you have been involved in Delta Dental's grievance procedure for 30 calendar days. You may file a complaint with the Department immediately in an emergency situation, which is one involving severe pain and/or imminent and serious threat to the Enrollee's health.

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against Delta Dental, your health plan, you should first telephone Delta Dental at **1-800-765-6003** and use Delta Dental's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 calendar days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (**1-888-HMO-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The department's Internet Web site (**<http://www.hmohelp.ca.gov>**) has complaint forms, IMR application forms and instructions online.

If the group health plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the Enrollee may contact the U.S. Department of Labor, Employee Benefits Security Administration (EBSA) for further review of the claim or if the Enrollee has questions about the rights under ERISA. The Enrollee may also bring a civil action under section 502(a) of ERISA. The address of the U.S. Department of Labor is: U.S. Department of Labor, Employee Benefits Security Administration (EBSA), 200 Constitution Avenue, N.W. Washington, D.C. 20210.

IF YOU HAVE ADDITIONAL COVERAGE

It is to your advantage to let your dentist and Delta Dental know if you have dental coverage in addition to this Delta Dental plan. Most dental carriers cooperate with one another to avoid duplicate payments, but still allow you to make use of both plans - sometimes paying 100% of your dental bill. For example, you might have some fillings that cost \$100. If the primary carrier usually pays 80% for these services, it would pay \$80. The secondary carrier might usually pay 50% for this service. In this case, since payment is not to exceed the entire fee charged, the secondary carrier pays the remaining \$20 only. Since this method pays 100% of the bill, you have no out-of-pocket expense.

Be sure to advise your dentist of all plans under which you have dental coverage and have him or her complete the dual coverage portion of the claim form, so that you will receive all benefits to which you are entitled. For further information, contact the Delta Dental Customer Service department at the number in the USING THIS BOOKLET section.

OPTIONAL CONTINUATION OF COVERAGE

The federal Consolidated Omnibus Budget Reconciliation Act (COBRA) requires that continued health care coverage be made available to "Qualified Beneficiaries" who lose health care coverage under the group plan as a result of a "Qualifying Event." You or your Dependents may be entitled to continue coverage under this plan, at the Qualified Beneficiary's expense, if certain conditions are met. The period of continued coverage depends on the Qualifying Event.

DEFINITIONS

The meaning of key terms used in this section are shown below.

Qualified Beneficiary means:

1. you and/or your Dependents who are enrolled in the Delta Dental plan on the day before the Qualifying Event, or
2. a child who is born to or placed for adoption with you during the period of continued coverage, provided such child is enrolled within 30 days of birth or placement for adoption.

Qualifying Event means any of the following events which, except for the election of this continued coverage, would result in a loss of coverage under the dental plan:

- Event 1. the termination of employment (other than termination for gross misconduct), or the reduction in work hours, by your employer;
- Event 2. your death;
- Event 3. your divorce or legal separation from your spouse;
- Event 4. your Dependents' loss of dependent status under the plan, and
- Event 5. as to your Dependents only, your entitlement to Medicare.

You means the Primary Enrollee.

PERIODS OF CONTINUED COVERAGE

Qualified Beneficiaries may continue coverage for 18 months following the month in which Qualifying Event 1 occurs.

This 18 month period can be extended for a total of 29 months, provided:

1. a determination is made under Title II or Title XVI of the Social Security Act that an individual is disabled on the date of the Qualifying Event or becomes disabled at any time during the first 60 days of continued coverage; and
2. notice of the determination is given to the employer during the initial 18 months of continued coverage and within 60 days of the date of the determination.

This period of coverage will end on the first day of the month that begins more than 30 days after the date of the final determination that the disabled individual is no longer disabled. You must notify the employer within 30 days of any such determination.

If, during the 18 months continuation period resulting from Qualifying Event 1, your Dependents, who are Qualified Beneficiaries, experience Qualifying Events 2, 3, 4, or 5, they may choose to extend coverage for up to a total of 36 months (inclusive of the period continued under Qualifying Event 1).

Your Dependents, who are Qualified Beneficiaries, may continue coverage for 36 months following the occurrence of Qualifying Events 2, 3, 4 or 5.

When an employer has filed for bankruptcy under Title II, United States Code, benefits may be substantially reduced or eliminated for retired employees and their Dependents, or the surviving spouse of a deceased retired employee. If this benefit reduction or elimination occurs within one year before or one year after the filing, it is considered a Qualifying Event. If you are the retiree, and you have lost coverage because of this Qualifying Event, you may choose to continue coverage until your death. Your Dependents who have lost coverage because of this Qualifying Event may choose to continue coverage for up to 36 months following your death.

ELECTION OF CONTINUED COVERAGE

Your employer will provide a Qualified Beneficiary with the necessary benefits information, monthly Premiums charge, enrollment forms, and instructions to allow election of continued coverage.

A Qualified Beneficiary will then have 60 days to give the employer written notice of the election to continue coverage. Failure to provide this written notice of election to the employer within 60 days will result in the loss of the right to continue coverage.

A Qualified Beneficiary has 45 days from the written election of continued coverage to pay the initial Premium to the employer, which includes the Premium for each month since the loss of coverage. Failure to pay the required Premium within the 45 days will result in the loss of the right to continue coverage and any Premiums received after that will be returned to the Qualified Beneficiary.

CONTINUED COVERAGE BENEFITS

The Benefits under the continued coverage will be the same as those provided to active employees and their Dependents who are still enrolled in the dental plan. If the employer changes the coverage for active employees, the continued coverage will change as well. Premiums will be adjusted to reflect the changes made.

TERMINATION OF CONTINUED COVERAGE

A Qualified Beneficiary's coverage will terminate at the end of the month in which any of the following events first occurs:

1. the allowable number of consecutive months of continued coverage is reached;
2. failure to pay the required Premiums in a timely manner;
3. the employer ceases to provide any group dental plan to its employees;
4. the individual first obtains coverage for dental Benefits, after the date of the election of continued coverage, under another group health plan (as an employee or Dependent) which does not contain or apply any exclusion or limitation with respect to any pre-existing condition of such a person, if that pre-existing condition is covered under this plan; or

5. entitlement to Medicare.

Once continued coverage ends, it cannot be reinstated.
